The School of Engineering & Technology, Nagaland University, Dimapur Campus held its Inaugural programme of the 'Employability Enhancement Training Program' on 17th August 2017. This Training Program is organized by AICTE & ICT Academy and hosted by SET-NU. The program is a skill oriented training program which is aligned to the Skill India Vision of the Government of India. Through this program, B.Tech students from Nagaland University will be trained as per the national training standards supported by ICT Academy and also provide placement assistance at the end of the program.

The inaugural programme was chaired by Mr. Teisovi Angami, Co-ordinator, Placement Cell. Welcome address was given by the chairperson. A short speech was delivered by the Dean, SET-NU Prof. S.K Sharma. In his speech, he encouraged the students to sincerely complete the certification courses offered by the ICT Academy and get a job in the corporate world. During the programme, there was an exchange of MoU between AICTE-ICT Academy and SET-NU. Mr. Subhash Upadhaya, Senior Project Co-ordinator, ICT Academy oriented the students for the Technical Support Executive course which will be the first course to be launched. The programme concluded with the vote of thanks by Mr. Sudipta Patowary, Asst. Prof.
