Nagaland University, Lumami

Sub: Junior Research Fellow in DST project-regarding

Madam,

With reference to above I would like to state that **Application is invited for one post of Junior Research Fellow (JRF) under a DST, Government of India sponsored research project on “Palaeogene Sedimentation in parts of Kohima Synclinorium, Nagaland” has been sanctioned, details of which are given below.**

Please upload the following on the University Website.

1. Applicants must have secured at least 55% marks in M.Sc. Geology from a recognized University which is relaxable to 50% for SC/ST candidates.
2. Applicants should submit their biodata with attested copies of all relevant documents latest by 20th October 2016 to the undersigned.
3. Preference will be given to candidates who have cleared NET-JRF (UGC-CSIR) or experience in sedimentological research for one year.
4. Short listed candidates will face an interview to be notified later.
5. The project is for a period of 3 (three) years only.
6. The monthly pay as per DST norms.

Yours Sincerely
