

“Water Literacy and Innovation in Water Purification & Conservation”

Catalyzed and Supported by

National Council for Science and Technology Communication, DST, New Delhi

Under “ECO & WaSH Futures”

Organised by Department of Chemistry, Nagaland University

Date: 19th October 2016

INVITATION

Dear Sir/Madam

We are organizing a Science Exhibition on “Water Literacy and Innovation in Water Purification and Conservation” for School/College/University students as part of our ongoing year long programme.

Due to ignorance regarding proper water management practices, there is an unintended rampant pollution of water bodies. In order to salvage the situation, the need of the hour seems to be a scientific communication programme on promotion of scientific literacy and capacity building for proper conservation and utilization of water. Also very important is the development of new innovative methods as well as preserve the traditional innovations for water purification and conservation.

It would be appreciated if you kindly nominate some students to participate in the exhibition.

Head
Chemistry Department
Nagaland University

Science Exhibition

Date: 11th November, 2016; Time: 11: 00 Hrs

Venue: Department of Chemistry, NU, Lumami

SUB THEME

1. Importance of Water
2. Water footprint
3. Types of water pollutants and its effects on environment
4. Water related diseases
5. Sources of water in Nagaland - related problems and remedies
6. Conservation of water including traditional methods
7. Innovative idea on any water related issues like popularization/development of filter/water purification/conservation etc.

MODE OF EXHIBITION

- Students participating in the programme may choose any sub themes. The exhibition can be in the form of poster, model, sketching, painting etc.
- The displayed item should include the following details:

Name of the Presenter:

Class:

Sub theme:

Institute:

- Best Three Exhibitors will be Awarded

ORGANIZING COMMITTEE

Secretary

Chubaakum Pongener

Joint Secretary

Parimal C Bhomick

Members

Aola Supong

Supongtoshi

Mridushmita Baruah

Sushmita Ghosh

SCIENCE EXHIBITION

on

Water Literacy

Date: 11th November 2016, Time: 11:00 Hrs

Venue: Department of Chemistry, NU, Lumami

INVITATION

Participation may kindly be confirmed by 1st of November 2016 to any of the following contact numbers:

- Mr. Chubaakum Pongener : 09856300554
- Mr. Supongtoshi : 08794465426
- Miss. Aola Supong : 08575753103

Buses will be arranged for transportation

To, _____
