

The Linguistic Data Consortium for Indian Languages (LDC-IL), Central Institute of Indian Languages (CIIL) in collaboration with the Department of Tenyidie, Nagaland University, Kohima is organizing a 7 Day Workshop on Natural Language Processing from 21st – 28th October, 2016.

- The goal of this “7-day NLP Training Programme” is:
 1. To disseminate the knowledge of NLP among the student community
 2. To equip students to work or pursue research in language technology
 3. To promote technology development in Indian Languages

- Participation is open to all from the disciplines of **Linguistics, Computer Science, and Literature**.
 1. Only 30-35 selected candidates will be selected to participate in the workshop.
 2. Preference will be given to research scholars (Linguistics) / Junior lecturers.
 3. Selected candidates need to attend all the days otherwise they will not be entitled for certificates.

The duly completed pro-forma may be kindly mailed to ezungm@gmail.com on or before 15th October, 2016.

Venue : University Library, Kohima Campus, Meriema
