

About the Workshop:

Research is a continuous process and is dynamic in nature but quality research is the need of the hour. Methodology in research will arm the researchers with a broad outlook to find solution to problems through application of systematic search.

The Workshop on Research Methodology is being organized by the Department with the aim to facilitate the Research Scholars in Social Sciences with a platform where knowledge can be shared through interactive sessions and discussions with eminent experts in the field.

This Workshop will improve the research skills and competence amongst the researchers by putting impetus on their theoretical knowledge as well as by giving them hands-on training via plethora of learning modules aimed at improving research tactics of the participants.

Objectives:

The primary objective of this workshop is to develop research and analytical skills among the participants.

- Defining research problem and formulating research design
- Designing data collection instruments
- Hypothesis framing and testing
- Hands on training with suitable software packages
- Research report writing and presentation

Target Participants:

Scholars pursuing Ph.D in any branch of Social Sciences are eligible to apply for the course. This course is sanctioned under the ICSSR Special Component Plan for ST category. Preference will be given to the Applicants belonging to ST Category from the State of Nagaland and its neighbouring States. In case of vacancy, scholars belonging to other Categories can also be considered.

About Nagaland University

Nagaland University is the 13th and the only Central University in the State of Nagaland which came into being on September 6, 1994 by an Act of Parliament with its Headquarters at Lumami in Zunheboto district. At present, the University has two permanent Campuses viz. Kohima Campus at Meriema and Medziphema Campus (School of Agricultural Sciences and Rural Development) and a temporary Campus at Dimapur with two Schools (School of Engineering & Technology and School of Management Studies). There are 37 Departments under this University offering wide range of courses. Currently, 65 Colleges are affiliated to Nagaland University.

Department of Commerce

The Department of Commerce as a full-fledged Department of North Eastern Hill University (NEHU) was established at Nagaland Campus, Kohima in the year 1981. From September 6, 1994, the Department became a part of the Nagaland University. Currently, the Department offers M.Com and Ph.D Programmes and is actively engaged in research activities.
