**INVITATION**

Dear Sir/Madam,

Department of Chemistry in coordination with PGSU, Lumami is organizing a workshop cum awareness programme on "Water Literacy" as a part of the ongoing year long Water Literacy Programme.

Due to ignorance in proper water management practices, there is an unintended rampant pollution of water bodies. In order to salvage the situation, the need of the hour is a scientific communication programme on promotion of scientific literacy and capacity building for proper conservation and utilization of water.

In order to create an awareness, this initiative has been taken to popularize the purpose through poster competition and short speech competition on the theme "Water and Life"

It would be highly appreciated if you kindly participate in the programme.
