

HOW TO REACH

Chemistry Department, Nagaland University, Lumami, is 18 km away from the nearest town Mokokchung. The nearest rail station is Mariani, which is approximately 85 km away from Mokokchung. Tata Sumo services are available from Jorhat or Mariani to Mokokchung town in the morning as well as in the afternoon. One can also get direct overnight buses from Guwahati to Mokokchung (which starts around 6:30 pm from Guwahati and reaches around 7 am the next day).

Tourist destination

Some of the popular attractions close to Lumami are Longkhum village, “a single visit to Longkhum is not enough, for your soul stays behind the first time and you have to return there once for more to get it back” as an old Naga saying goes. It has numerous shrine dedicated to God Longlanpa Tsungrem. It is well known for its Rhododendrons and Longlangpa (Stone Bridge). It is about 17 kms away from Mokokchung Town.

Mopungchuket is another village associated with legends such as the romantic story of Jina and Etiben,

called the Romeo and Juliet of the Ao Naga tribe. At the vicinity of the village is a lake with boating facility and guesthouse. Time-Pillar, village museum, morungs and monuments are worth visiting. It is about 15 km from the heart of Mokokchung Town. “Just a Venue” which is situated around 20 minutes drive away from Mokokchung. It is extremely attractive place to relax and enjoy the bliss of nature. It has swimming pools for adults and children, tree house, lounge, etc.

VENUE

The seminar will be held at Nagaland University, Headquarter, Lumami.

ORGANIZING COMMITTEE

Patron: Vice-Chancellor,
Nagaland University

Convener: Prof. Dipak Sinha,
HOD, Chemistry Department

Organizing Secretary: Dr. I. Tavishe Phucho

COMMITTEE MEMBERS

Prof. M. Indira Devi
Dr. Upasana Bora Sinha
Dr. Maddela Prabhakar
Dr. Nurul Alam Choudhury
Dr. Seram Dushila Devi

NATIONAL SEMINAR ON “CHEMISTRY IN INTERDISCIPLINARY RESEARCH” (NSCIR-2017)

16th – 17th March, 2017

Organized by
Department of Chemistry
Nagaland University
Lumami – 798627

Supported
by
Nagaland University & DST-SERB

INVITATION

The Department of Chemistry, Nagaland University welcomes you to the National Seminar entitled “Chemistry in Interdisciplinary Research” to be held during 16th-17th March, 2017, at Lumami, Nagaland University. We cordially invite all the participants who are interested in sharing their knowledge and ideas in those pertaining areas of scientific study. Through this Seminar the Department is expecting to host a number of renowned scientists of the country. This will provide an excellent opportunity to students and researchers of the region to meet and interact with such scientists of eminence.

In present times interdisciplinary research is gaining importance in order to fully comprehend and address many scientific challenges, in areas such as environment protection, drug discovery and sustainable development, etc. Therefore researchers who are working in different areas of botany, zoology, physics, geography, geology or any other area, who find this seminar appropriate for presenting some of their works are welcome to participate in the Seminar. The intending participants can confirm their participation by registering as per provision which is included in this brochure.

OBJECTIVE OF SEMINAR

The Seminar is an endeavor to provide a platform for faculty, research scholars and students to come together and share their research ideas and experiences. It is also expected to provide a platform for researchers to personally interact with invited scientists of eminence, which is expected to help further their research aspirations.

PROGRAMME

The Programme of the Seminar will include invited papers, oral and poster presentations by scientists and

research scholars in different sessions to be spread over a period of two days. Dedicated time for lectures by eminent scientists will be an important feature of the Seminar.

In order to encourage research scholars/ young scientists towards academic participation, the following initiatives are taken

- A few selected research scholars will be given an opportunity to give oral presentation.
- Few selected research scholars/young scientists will be paid one-way travel fare (bus or sleeper class), for that the request may be made to the Organizing Secretary.
- Best three presentations will be awarded.

PROCEDURE FOR REGISTRATION

In order to participate in the Seminar, registration can be done in prescribed format (MS Word) by sending as attachment in an e-mail to nuchemseminar@gmail.com

- (a) Name.....
- (b) Designation.....
- (c) Name of Institute.....
- (d) Address.....
- (e) Mobile No.....
- (f) E-mail.....
- (g) Title of the paper (for paper presenter).....
- (h) Accommodation required (Y/N).....

REGISTRATION FEES

Academicians/ Scientists /Industries	Rs. 1000/-
Research Scholars/Students	Rs. 500/-

MODE OF PAYMENT

Registration fees may be sent to SBI account No.20062969304 (IFSC: SBIN0013380) and transfer of money receipt may be mailed or whatsapp to Organizing Secretary

ACCOMMODATION

Need-based accommodation will be made available in the University Guest House or in some hotels on request. Those who are interested to stay in hotel will have to pay their hotel charges directly to the concern hotel at the end of the stay.

SUBMISSION OF ABSTRACT

The abstract may be sent as an email attachment to nuchemseminar@gmail.com. Hard copy of abstract is not required.

Format for Abstract

Should be created in MS Word using Times new roman font. The abstract should be within 200 words, may contain one or two figures.

Title (14 pt., bold, centered)

Presenting author, other author, corresponding author* (12 pt.), Address (12 pt.), Text (12 pt.)

IMPORTANT DATES

Last date of registration	15 th February, 2017
Last date for request for accommodation	20 th February, 2017
Last date for abstract submission	1 st March, 2017
