From the desk of Vice-Chancellor

My dear prospective students,

I wish you all a very warm welcome to the Nagaland University family.

Nagaland University is one of the forty-plus Central Universities of the country with four campuses: Lumami (HQ); Meriema (Kohima Campus); Medziphema (School of Agricultural Science and Rural Development); and Dimapur (School of Engineering and Technology). I take great pleasure in inviting you to become a part of this University, that has been constantly striving to provide a vigorous academic platform as well as imparting humane values, humility, selfless service, and a positive outlook in life.

The prospectus guides you on the courses offered by the University. There are 36 post graduate disciplines offering Master's and Ph.D. programmes in Arts, Commerce, and Sciences including Agricultural Science and Management. The duration of the PG Program is two years. In addition, the University offers B.Sc. Agriculture and B.Tech. programmes in 5 disciplines, the duration of which is 4 years. One-year PG Diploma is also offered in Mass Communication. An added feature starting this academic session is the Massive Open Online Courses (MOOCs) in the various departments. As you may be aware, MOOCs courses available on the indigenously-developed SWAYAM platform can be opted for by the students and University staff members.

The University faculty members are friendly and supportive. Our expectation is that you will devote time and energy to make yourself knowledgeable and skilled, ready to serve the nation, provided you are one of the lucky selected ones.

The University has made all necessary efforts to create infrastructure facilities in all four campuses to provide you a comfortable academic atmosphere. Modern classrooms, libraries with standard books and journals, internet connectivity, computer centres, practical and research laboratories, modern equipment and implements, hostels for boys and girls, concrete and tarred roads, clean drinking water facility, cafeteria, auditorium with 900 sitting capacity at its Headquarters Lumami, Bank (SBI) and Post Office in the campuses, gymnasium, play grounds etc., are some of the amenities created for the students as well as campus dwellers.

Graduating students from Nagaland University have secured jobs across the country as well as abroad. Members of the Nagaland University Alumni Association are the flag bearers and brand ambassadors of the University. We appreciate your decision to have Nagaland University as your Alma Mater.

I wish you all the very best.
