Note:

1. The admission committee have decided the entrance test cut off marks from 45 percent to 40 percent since the total number of candidates qualifying was too less. Therefore a candidate scoring 20 marks (40%) in the entrance test out of total 50 marks is considered as provisionally qualified. The list is prepared on the basis of B.A marks and the entrance test marks. A candidate scoring high percentage in the B.A graduation but falling short of cut off marks in the entrance test was therefore considered not qualified.
2. Candidates who are provisionally qualified are directed to come to the Department of Sociology with all the relevant original documents i.e., admit card, mark sheet from class X and above, ST/SC/OBC/Gen/ certificate and any other relevant documents for verification at 10:30 am on 21st of July, 2017.
3. Any candidates failing to produce original documents for verification on the given date will forfeit the right for admission.
