MEETING MINUTES OF THE 29th ACADEMIC COUNCIL

DATE: 20th May 2020

AC:29:3 Student Ready Programme for the School of Agricultural Sciences & Rural Development (SASRD)

Agenda: The Students Ready programme which is a mandatory requirement for students passing out B.Sc. (Ag) at SASRD has been prepared and placed for approval by the Academic Council.

Discussion: The Chairman and the Visitor's Nominee congratulated the Dean, SASRD and her team for doing a meticulous job in preparing the Students Ready programme (SRP). Prof. Akali Sema stated that some points of the SRP was approved by the Academic Council earlier but requested that the eligibility criteria for SRP be rectified as "All courses cleared up to 5th Semester" instead of "Courses cleared up to 6th Semester" which was the requirement mentioned earlier. This proposal is made considering that the Student Ready programme starts on 1st July before which the result declaration becomes difficult. It was also clarified that in case any student fails to clear the 5th Semester, they shall have to repeat and clear that course after the SRP.
