Greetings cum Message

I, on behalf of the Vice-Chancellor and on my own behalf, extend hearty greetings to the women employees (both teaching and non-teaching) as well as girl students and research scholars on the occasion of International Women's Day 2018. On this day, I request the entire University fraternity to join hands with our Hon'ble Prime Minister for taking the pledge *Beti Bachao Beti Padhao* and to enable the women to lead and empower the nation. Let us also join hands with billions of people on the earth for transforming the social, cultural, economic, and political lives of the women in tune with this year's International Women's Day theme – TIME IS NOW: RURAL AND URBAN ACTIVISTS TRANSFORMING WOMEN'S LIVES

While extending greetings on the occasion, I appeal to the entire University community belonging to all the campuses to create enabling environment for working women as well as girl students free from discrimination, harassment, and exploitation.

(A.K. SINGH)
Vice Chancellor I/c
