Letter No. NU/CDC/Gen-5/2008-(Pt)-1268, dt. 21.03.2016.

Sir,

Please with above noted subject and reference, this is brought to your kind notice that College Development Council worked hard on **Lapse Cases of Affiliation** during session 2015-2016 and appropriate actions have already been taken as per directives of the authority.

As per the University Ordinances OB-6/Para 17 'Request for renewal of provisional affiliation shall be submitted to the Registrar/Director, CDC on prescribed proforma, along with required fee, six month before of expiry of the period of provisional affiliation. If a college/institution does not apply for renewal within period stipulated above, the affiliation granted shall stand terminated automatically on the expiry of the period of provisional affiliation.'

In the light of above, it is clear that enrolment of students and conduction of examinations by the University will not be possible, if affiliation is not existing for the concerned college/colleges.

Therefore, you are requested to instruct your subordinates to check the existing affiliation letters in original, i.e, status of affiliation without expiry with other required formalities before enrolment of students of affiliated college/colleges.

This letter is being released after approval of competent authority.

Thanking you.

Yours faithfully,
