7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Nagaland University has always tried to uphold its social responsibilities to the maximum extent possible and in keeping with this philosophy it has chosen new initiatives for sustainable agriculture for rural development. Most of these activities have been initiated by the University's school of Agriculture and Rural development, which is in Medziphema, Dimapur as well as Krishi Vigyan Kendra (KVK), Zunheboto which is in University Headquarters at Lumami. Details of the performance: Training programmes for farmers, both at site as well as in-house as well as activities such as 'kheti mela' were organized regularly. Some of the trainings, demonstrations and skill development programmes were on improved varieties of crops/ improved breeds of poultry and piggery, post harvest technologies to minimize loss of crops during bumper harvest, mushroom production and apiculture, vermicompost production, etc. Sincere implementation of the National policy 'Mera Gaon Mera Gawaar' has led to the adoption of 6 villages in Zunheboto district, and thereafter 5 more villages of Zunheboto district have been adopted under the National Unnat Bharat Abhiyaan programme. While agriculture and rural development has been the thrust area for this year, however these activities are to be continued for the foreseeable future and in fact, sustainable agriculture is expected to be one of the permanent thrust areas of the University.
