NOTICE

A two-week (12 days, offline) ICSSR-Capacity Building Programme (CBP) focusing on "Academic and Research Excellence in Higher Education" for young higher education faculty members in Social Sciences, initially set from 12th to 23rd March, 2024, has been rescheduled. The new dates for the program are 7th to 18th May, 2024. This change is due to unforeseen circumstances, such as a limited number of applicants owing to their busy academic schedules in March and April, impending visits from NAAC peer team in March, departmental outreach initiatives, upcoming elections and other considerations. We sincerely regretted any inconvenience that may be caused as result of the postponement. We look forward to your understanding and continued support. An updated CBP brochure will be circulated soon.
