F.No.13-11/2020 (CU)

10th March, 2023

Subject:- Common University Entrance Test (CUET) for admission in Central Universities for the academic session 2023-24 -reg.

Sir/Madam,

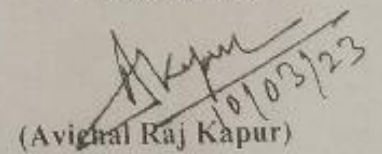

As you are aware, Common University Entrance Test (CUET) was introduced in the academic session 2022-23. The key objective of the CUET is to provide a common platform and equal opportunities to candidates across the country, especially those from rural and other remote areas, and help establish better connect with the Universities. Moreover, CUET is conducted in 13 mediums across India for admission into Undergraduate Programmes. Thus, CUET is a facilitative process, and participation in it will help the students and Universities. In view of this, the Commission in its 566 meeting, held on 23.02.2023 resolved as under:-

"CUET shall be mandatory for admission in all the Undergraduate Programmes in all the Central Universities." The decision of the Commission should be communicated to all the Central Universities for implementation in letter and spirit."

Accordingly, you are requested to kindly take appropriate measures for admission in all the Undergraduate programmes of the University through CUET for the academic session 2023-24.

With kind regards,

Yours sincerely,

(Avichal Raj Kapur)
