NATIONAL CONFERENCE

on

RECENT TRENDS IN ENVIRONMENTAL POLLUTION AND HEALTH NCRTEPH 2024

Thursday–Friday
28–29 November 2024

I. Ihoshe Kinimi Hall
Nagaland University, Lumami

Organised by:
Department of Zoology
Nagaland University, Lumami

Sponsored by:
Department of Science & Technology (DST)
Government of India, New Delhi

Co-Sponsored by:
Nagaland University, Lumami

ABOUT THE UNIVERSITY

Nagaland University, the 13th Central University and the only Central University in Nagaland, was established by an Act of Parliament, **The Nagaland University Act 1989 (No. 35 of 1989)**, which received the assent of the President of India on 20 October 1989. It came into force as notified in **The Gazette of India Extraordinary Part-II Section-1**, published by the Ministry of Law and Justice (Legislative Department), New Delhi, in October 1989. The University came into being on 6 September 1994. At present the University has three campuses, viz., (i) Headquarters at Lumami in Zunheboto district (ii) Kohima Campus at Meriema in Kohima district (iii) Medziphema Campus (School of Agricultural Sciences) in Chümoukedima district. There are 44 departments offering Undergraduate, Postgraduate and Ph.D. programmes in Arts, Commerce, Sciences, Agricultural Sciences, Engineering & Technology and Management. In addition, there are 69 colleges from the state of Nagaland currently affiliated to the University.

ABOUT THE DEPARTMENT

The Department of Zoology, established in 1997 and part of the School of Sciences, offers M.Sc. and Ph.D. programs with a comprehensive curriculum designed to impart both theoretical knowledge and practical skills in various fields of zoology, including genetics, entomology, ecology, physiology, fisheries, endocrinology, microbiology, cell and cancer biology, taxonomy, and more. Well-equipped with state-of-the-art laboratories and research facilities, the department supports both foundational and advanced studies. The department regularly collaborates with other institutions and organizations for research projects, workshops, and conferences. These partnerships enable students and researchers to engage in interdisciplinary studies, applying their expertise to address real-world challenges. With an experienced faculty specializing in various branches of zoology, the department has been instrumental in shaping the academic and professional development of its students, earning a prominent position within the university and beyond.

ABOUT THE CONFERENCE

The **National Conference on Recent Trends in Environmental Pollution and Health (NCRTEPH) 2024** is themed around cutting-edge technologies in the fields of Biological and Health Sciences. This conference aims to draw together researchers, specialists, designers, students, and decision/policy makers in all fields of Life Sciences and provides an inclusive panel for the dissemination of primary study conclusions, new approaches, and developmental practices that focus on principles and application as well as sustainable development in health research. The purpose of the conference is to attract leading experts from all the major streams of Biological Sciences and Health Sciences. Attending this conference would help participants reflect on their work to sharpen their skills and refine their ideas using novel approaches by meeting with their peers and contemporaries. This platform will provide an opportunity to share practical challenges encountered and solutions adopted in health research.

THEMES OF THE CONFERENCE

- Water pollution and health
- Soil and air pollution and health
- Occupational exposure of contaminant and health status
- Pesticide toxicity and health
- Role of micro plastic in health
- Heavy metal contamination and disease
- Role of pollution in cancer
- Biodiversity and the environment
- Ecological perspective and the environment
- Role of microbiome in the environment

IMPORTANT DATES

Early Bird Deadline : 5 November 2024
Last Date of Abstract Submission : 11 November 2024
Information of Acceptance : 14 November 2024

SUBMISSION OF ABSTRACT

The Organizing Committee invites abstracts of original contributions for both oral and poster presentations on any topic related to the conference theme.

Abstracts must be submitted through email to ncrteph2024@gmail.com. The subject of email should follow the following sample format: **Abstract Submission–‘Main title’–‘Sub-theme’–‘Poster/Oral’**.

LAYOUT OF ABSTRACT

Abstracts must be in English and typed in Times New Roman.

Title: An informative title within 15 words (14 pt)

Author(s): Author's affiliation with e-mail ID should be mentioned. In case of multiple authors, the corresponding author should be mentioned clearly.

Text: 12 pt, 1.5 line spacing. The abstract must clearly indicate the problem, methodology, and result of the work, and include 4–6 key words. The word limit is 300.

FORMAT OF POSTERS

Posters should be in portrait and must measure 3 ft in width and 4 ft in height.

AWARDS

Awards for outstanding research will be given to the best three oral presentations and best three poster presentations.

REGISTRATION

Registration for the conference must be completed by filling following Google Form (link is clickable). Online registration is mandatory for participating the conference.
