## **About the University**

Nagaland University, the 13th Central University and the only Central University in Nagaland was established by an Act of Parliament (No. 35 of 1989) and received the assent of the President of India on 20<sup>th</sup> October 1989 as THE NAGALAND UNIVERSITY ACT 1989. The University came into being on September 6 1994 having jurisdiction over the entire state of Nagaland.

At present the University has four campuses, viz. (i) Headquarters at Lumami in Zunheboto district (ii) Kohima Campus at Meriema in Kohima district (iii) Medziphema Campus (School of Agricultural Sciences and Rural Development) at Medziphema in Dimapur district and (iv) a temporary campus at Dimapur (School of Engineering & Technology). There are 44 departments offering undergraduate, postgraduate and Ph.D. programmes in different disciplines of Arts, Commerce, Sciences, Agricultural Sciences, Engineering & Technology and Management streams. There are 69 colleges from all over the state of Nagaland currently affiliated to Nagaland University.

## **About the Department**

Department of Teacher Education of the Nagaland University is situated in Kohima Campus Meriema. The Department of Teacher education covers all emerging areas of education. The main aim of the Department of Teacher Education is to prepare teacher educators who perform optimally in the colleges of Teacher Education/Schools and other related research organizations. It offers M.Ed. and Ph.D. Programmes to empower individuals to be torch bearers of social change by transforming society with a coordination of material and moral framework of the groups to which individual belongs.

## **About the Programme**

The capacity building programme (CBP) will aim to develop the capacities of the participants as the curriculum developer teams at the institutional levels. The programme will enhance the capabilities of teachers and teacher educators working in different colleges and universities across India to review and develop the curriculum as per the requirements and conditions of NEP-2020. The training methodology will include an interactive set of activities to enable the participants to use new processes and tools for curriculum development. The participants will be trained to identify and reflect on the current curricular needs of their particular programmes and to contribute for improving the same for creating skilful human resources, fit for better employment opportunities.

This programme on curriculum development will attempt to familiarise the higher education teachers with various concepts and theories of curriculum development. The planned schedule will include group work, interactive lectures, discussions, presentations, and excursion to offer theoretical as well as practical exposures. Resource persons from different disciplines will acquaint the participants to a broad range of domains of curriculum review and development.

## **Objectives**

1. To review and analyse the existing practices used in the design, implementation and evaluation of curriculum
2. To provide training for competency-based curriculum development
3. To facilitate the exchange of experiences among participants
4. To provide hands-on training for using ICT tools helpful in the curriculum development and transaction processes
5. To identify some common trends and successful practices based on the experiences revealed in the participants' discussions and deliberations, and to publish the same for the benefit of other teachers, teacher educators, curriculum designers, researchers and other stakeholders of the education system in India

## **Contents/Topics**

1. Philosophical and Sociological Bases of Curriculum Development: Idealism, Pragmatism, Naturalism, and Existentialism
2. Tools in Social Science Research and Hands-on Training in Tool Development
3. Psychological Bases of Curriculum Development: Behaviourist and Cognitive Approach
4. Curriculum Development Stages: Evidence gathering, Preparation, Development, Implementation, Monitoring and Evaluation
5. Knowledge-based Curriculum Development: Different levels of subject knowledge, Integrated knowledge, and its implications
6. Choice Based Credit System (CBCS)
7. Curriculum Audit- Process, Criteria and Report
8. Principles and Process of Curriculum Development
9. Data Analysis through SPSS Descriptive Statistics and Inferential Statistics
10. Curriculum Evaluation: Criteria for evaluation of Curriculum of a programme, Steps for evaluation of curriculum
11. Formulation of Learning Outcomes of the programme, Specific Outcomes of the Programme and Learning outcomes of the Course
12. Scientific/Technical and Humanistic/Non-technical models of curriculum development: Examples of Curriculum based on different Models
13. Curriculum Transaction Modes
14. Issues and Recent Trends in Curriculum Development in view of NEP-2020
15. Curriculum change and its factors
16. Global Perspective of Curriculum Development
17. Integration of Indigenous Knowledge System (IKS) in Curriculum
18. Library and e-Library Training

Note: Training activities will be conducted and evaluation of the above modules will be done by the experts
