Department of Teacher Education

About the Programme

NEP 2020 recognizes the importance of online and blended learning in the modern education landscape and encourages the development of innovative and effective digital learning solutions to improve the quality and accessibility of education for all. Online learning refers to education that is delivered entirely through digital platforms, while blended learning refers to a combination of online and in-person learning. NEP 2020 the potential of technology to enhance the quality and accessibility of education and emphasizes the need to leverage technology for the benefit of students. The aim of this workshop is to provide you with practical guidance on how to design and deliver effective online/blended courses. Over the course of the workshop, the participants will learn about the

key considerations and best practices for designing and delivering online/blended courses. This will include topics such as selecting appropriate technologies, designing engaging online activities, managing student engagement and communication, assessing learning outcomes, and creating a supportive learning environment.

LEARNING OBJECTIVES

1. Exposure to faculty about the Virtual Learning Environment, OER and MOOCs
2. To sensitise the faculty and information professionals about ICT learning skills and digital initiatives of the Government of India
3. To sensitise the faculty about information and digital literacy as an indispensable tool to nurture quality and excellence in education
4. To sensitise the teaching community and information professionals about the effective and efficient use of social media for teaching learning and managing knowledge.

Major Topics to be Covered

1. NEP-2020: Technology Integration in Higher Education
2. Digital Initiatives of GOI in Higher Education
3. Building Competencies for Teachers in Online/Blended Learning Courses
4. Open Educational Resources (OER) for Developing Online/Blended Learning Courses
5. Flipped & Learner Centric Pedagogical Approaches
6. Developing Learner Centric Video Content for Online/Blended Learning Courses
7. Collaborative Learning Tools for Online/ Blended Learning Courses
8. Formative and summative Assessment Tools for Online/ Blended Learning Courses
9. Google Classroom: A LMS for Delivering Learner-Centric Online/Blended Learning Courses
10. Canvas: A LMS for Delivering Learner-Centric Online/ Blended Learning Courses
11. MOODLE: A LMS for Delivering Learner- Centric Online/ Blended Learning Courses

COMPETENCIES TO BE DEVELOPED

Faculty Development Programme (FDP) will help the faculty to develop the ICT skills required to design, develop, deliver and transact online courses in blended as well as fully online mode. They will get an opportunity to learn about new tools and techniques used to create multimedia content (video), deliver presentations, Creative Commons videos and learning content in online courses and how to engage and motivate learners in virtual learning environment. They will also learn about open educational resources, virtual learning environment, massive open online courses, intranet, HTML, use of social media in teaching learning and libraries, information and digital literacy, academic dishonesty, etc.

EXPECTED OUTCOMES

Faculty will be familiar with the latest tools and techniques used in teaching learning and managing learning resources that will help them to transform the teaching learning process from traditional classroom-based approach to blended as well as fully online mode. Even students and scholars will get an opportunity to interact with faculty, peers and global scholars' community through online courses.

Requirements for the FDP
A functional Webcam, Microphone and headphones are Compulsory. Desktop/Laptop with good Internet speed and necessary data pack are compulsory.
Participants with only "SMARTPHONE" are not allowed.

FDP Timings:
10:00 AM-1:00 and 2:00 PM-5:00 PM

Who can Attend?
Faculty from all the disciplines of Nagaland University(Kohima Campus) and constituent Colleges of NU /Institute of National Importance**.**
There is no registration fee for the FDP The participants will be selected on the basis of First come First Serve

Board and Lodging: Local participants would be provided only lunch and tea/snacks during the programme break.
***In case of any query the Programme Director/ Nodal Officer/ co-ordinator may be contacted* through the email- fdpnukcm@gmail.com**

Programme Organizing Committee
Dr. Surendra Yadav	*Assistant Professor, Department of Teacher Education*
