C. Screening at Points of Entry:

1. Every returnee/inbound traveller will report to the Screening Centre which may be located at the designated **Points of Entry** or in a convenient location as decided by the respective District Task Force.
2. No returnees/travellers will be allowed to proceed beyond the screening centre without proof of submission of the **Self Declaration** and **Undertaking for home quarantine** and Registration in the **nCOVID Nagaland Visitors App** and **Aarogya Setu** at the time of screening.
3. All the returnees/ travellers showing no symptoms on screening will proceed to their respective districts for quarantine as per the quarantine norms mentioned **under point D**.
4. All returnees/travellers **showing COVID-like symptom** will be subjected to medical protocols. In case the returnee/inbound traveller is bound for some other district, then based on the medical fitness, will be retained in the District in which the entry point falls, or transported to the respective home/destination district in a separate transport facility.
5. Conveyance from the point of entry to the respective district or place for quarantine following the screening will be arranged by the returnee/traveller. All the provisions of the consolidated guidelines on lockdown measures annexed to Order No. CSO/GAB-I/COM/GEN-I/2020 (B) dated 31st August 2020 Office of Chief Secretary pertaining to movement of vehicles shall be strictly adhered to by the returnee/traveler. The relevant extract is enclosed as **Annexure-4**.
6. In case any returnee/traveler at Dimapur/Kohima/Mokokchung bound for other district is unable to get conveyance or there is undue delay in getting the conveyance for moving to his/her home district, then such returnee/traveler may be allowed to undergo quarantine in Dimapur/Kohima/Mokokchung by opting home/institutional/paid quarantine on mutual agreement between the DTF Dimapur/Kohima/Mokokchung and the concerned DTF of the destination/home district.

D. Quarantine Norms:

1. Every returnee/traveller who is found **asymptomatic** will undergo **quarantine for 14 (fourteen) days**.

2. **The returnee/traveller may either opt for home quarantine or institutional quarantine in a facility managed by District Task Force or paid quarantine in the designated hotel/lodge.**
3. Home Quarantine for any returnee/traveler will be allowed on fulfilling the following conditions:
 - a. The house in which home quarantine is to be done must be in a location where COVID-19 testing facility is available as listed in **Annexure-5**.
 - b. There must be a single bedroom, well ventilated and preferably with attached bathroom or conveniently located in the house where home quarantine is being proposed.
 - c. The person should have filled up and submitted the Undertaking for Home Quarantine as stated under **point B**; and if submitted digitally to produce the proof of submission at the point of entry.
4. If the above mentioned conditions are not fulfilled, then the returnee/traveler will undergo the quarantine by opting either institutional or paid quarantine.
5. Notwithstanding the above provisions, persons above the age of 60 years, children below age of 10 years & accompanying parents, pregnant women & accompanying spouses and person with disabilities, unless symptomatic, will be allowed to undergo **home quarantine** for 14 days.
6. At the institutional quarantine facility, the quarantinee will be charged for food at a rate fixed by the respective District Task Force. The quarantinee may also arrange own food from outside being delivered at the quarantine facility which should be mandatorily in single use disposable containers and preferably of biodegradable materials.
7. In case of **saturation of the institutional quarantine centres** in any district, the returnees/inbound travellers may be allowed to do quarantine in another district on mutual agreement between the District Task Force of the two districts.
8. All persons in quarantine shall follow **3Ws** (Wear mask, Wash hands, Watch distance) and avoid **3Cs** (Crowded places, Close contact setting & Closed and enclosed spaces).
9. All persons in quarantine shall self monitor their health for development of any COVID like symptoms- fever, cough, difficulty in breathing etc and shall update the status in **nCOVID Nagaland Visitors App** twice daily. In case of development of any of the above mentioned symptoms, the quarantinees are advised to contact the respective District Health Helpline given at Annexure: **6** or State Helpline 1800 345 0019.
10. The District Task Force may continue to enlist the **support and involvement** of tribal bodies, Government Officers/employees associations, and faith based/community based organizations for providing food to Quarantine Centres, disciplining of quarantinees, monitoring observance of home quarantine, counselling and spiritual support, etc.

E. Testing:

If the person in quarantine **remains asymptomatic** throughout the 14 days quarantine period, **no testing** will be required for release from quarantine.

1. Returnees/travelers **if found symptomatic on arrival, will be immediately tested.**
2. Any person who develops symptoms during the course of quarantine will be tested **immediately.**

3. Persons in quarantine who are asymptomatic and require or need to be **released from quarantine prematurely due to urgent or emergency work will be allowed** subject to the following conditions:
 - a. After having completed 4 days of quarantine, including the day of arrival, the quarantinee may request for testing by TrueNat.
 - b. Sample collection and testing will be done from 5th day of arrival onwards.
 - c. This test done on request will be charged at the rate fixed by the Government except for dignitaries, and those Government servants on official duty whose services are of essential and urgent nature, as specified by the Home Department.
 - d. The person will be released from facility/home quarantine on receiving the negative test result.
 - e. The person must, however, always maintain all standard safety precautions: follow **3Ws** and avoid **3Cs**.
4. **COVID-19 Tests shall be chargeable** for the following categories:
 - a. All individuals undertaking travel to countries/Indian States mandating a negative COVID-19 test at point of entry.
 - b. All individuals who wish to get themselves tested, subject to case load and capacity of the testing centres.
 - c. Patient for undergoing Non-COVID treatment in the hospital (e.g. before surgical procedure or aerosol generating procedure, etc).
 - d. Persons in quarantine who require or need to be **released from quarantine prematurely due to urgent or emergency work** as stated in **Sl. No: E.3**.
5. The **rate of testing** will be fixed by the Government which may be revised from time to time.

F. Release from Quarantine:

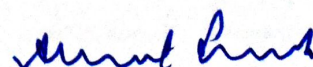

1. On completion of the 14 days quarantine period and the person remaining asymptomatic throughout the period, the person will be released from quarantine without testing. However, the standard precautionary measures- **3Ws** and **3Cs** should always be followed.
2. The medical team will issue a "Release Certificate" on fulfillment of above condition with a copy to the District Task Force.
3. The District Task Force will ensure that details of the quarantinees being released daily are made available to the concerned Hon'ble Ministers or Hon'ble Advisors who have been assigned districts to monitor vide Chief Minister's Office Order No.CMN/34(A)/H&FW/2020 Dated, 25th March, 2020, and also to the respective District Task Forces, in case the district where the person has undergone quarantining is different from his/her home/destination district besides the State WAR ROOM on COVID -19 / Office of the Chief Secretary.
4. The returnee/traveller will arrange his/her own conveyance upon release from the quarantine or discharge after recovery.

G. Exemptions from quarantine on entry:

1. Any person who has to immediately attend to essential and urgent works/duties on his/her entry into the State from outside, or for any unavoidable reasons, cannot quarantine, may be exempted from undergoing quarantine on entry subject to the following conditions:

- a. The concerned person will apply at least 1(one) day prior to travel, online at **covid19.nagaland.gov.in**. or through Email/WhatsApp to the destination District with all the details, including travel plans, grounds for seeking exemption from quarantine, duration of stay, among others. The WhatsApp numbers/Email addresses of the District Task Forces (DTFs) in Annexure-7 (also available on **covid19.nagaland.gov.in**) may be used for sending the communication.
 - b. The entry in the State should be **by Air** or in **self arranged conveyance** only.
 - c. Installation and registration on Aarogya Setu shall be mandatory. On-boarding on nCovid Nagaland Visitors App will not be required.
 - d. If the duration of stay in the State is **more than 48 hours**:
The soft copy of the RT-PCR or Truenat negative test report done at current location of the person not earlier than two days of the proposed arrival date in Nagaland should be submitted along with the application (*if the person has to arrive on say Thursday, the swab should have been given for testing not earlier than Tuesday*).
 - e. If the duration of stay in the State is **less than 48 hours**, no advance Testing will be required.
 - f. The concerned DTF on being satisfied of the grounds given for seeking exemption from quarantine, and subject to fulfilling the criteria for being considered for issue of Inner Line Permit, wherever applicable, will communicate its clearance for exemption from quarantine, through Whatsapp/Email or SMS if applied online, to the concerned person.
 - g. The concerned person will produce the clearance issued by the DTF (Digital/Hard copy) at the Point of Entry and after screening and on found asymptomatic will proceed with his/her normal routine following all the health safety protocols, and in case of night-halt in the State will stay in a single room accommodation with attached washroom.
 - h. In case the period of stay of the person is likely to go **beyond seven days**, including the day of arrival, the concerned person will contact the respective DTF for getting tested after 4 days of arrival in the State on RT-PCR/Truenat on payment and on testing negative, will carry on with his/her normal routine following all the health safety protocols.
 - i. The Government Servants on-duty, needing exemption from Quarantine because of unavoidable reasons, on entry into the State from outside, will also be covered by the above provisions.
2. Any person who goes out of the State by road in **self arranged conveyance and returns within 24 hours without night halt** through the same point of exit from the State, and asymptomatic on arrival at the Point of Entry, will be exempted from quarantine and will carry on with his/her normal routine following all the health safety protocols. The concerned person before commencing the journey should obtain movement permit from the concerned DTF in which the point of entry/point of exit falls.
 3. Any person, including truckers and attendants of any goods vehicle, transiting the State without halting anywhere is exempted from quarantine. Such persons will however be subject to screening at the point of entry and while transiting will follow all the health safety protocols and social distancing norms.
 4. Truckers and attendants of any goods vehicle bound for Nagaland will be subject to screening at the point of entry and will be exempted from quarantine provided all the provisions of the

consolidated guidelines on lockdown measures annexed to Order no CSO/GAB-I/COM/GEN-I/2020 (B) dated 31st August 2020, Office of Chief Secretary, pertaining to truckers and attendants of goods vehicle are adhered to. The relevant extract is enclosed as Annexure-8. In case of night-halt in the State, the truckers/attendants should stay in single room accommodation with attached washroom.

Consolidated Guidelines on lockdown measures annexed to Order No CSO/GAB-I/COM/GEN-I/2020 (B) dated 31st August 2020, Office of Chief Secretary pertaining to truckers and attendants of goods vehicle (relevant extract)

1. The movement of goods vehicles entering or transiting through the State shall be allowed through the above mentioned points of entry, after proper medical screening of the drivers and attendants of those vehicles. All other roads/routes will remain closed.
2. All the Guidelines for Safe Practices in High Risk Settings to prevent transmission of COVID-19, for Trucks/Goods Transport vehicles as specified below shall be strictly adhered to by all concerned.

Trucks/Goods Transport vehicles:

All Trucks/Goods Transport vehicle Drivers/Attendants shall observe the following:

1. All crew members shall be screened for fever by thermal scan at the point of entry.
2. No passengers shall be allowed to travel in any of the goods trucks.
3. Crew member(s) with symptoms- fever, cough and breathlessness will be subjected to further medical examination.
4. All crew members shall mandatorily wear face mask at all times and wash hands frequently with soap and water or with hand sanitizers.
5. Dhabas and amenity providers at designated places identified by the District administration for truckers/travelers shall provide adequate dining space to ensure minimal contact, social distancing, foot-operated hand washing facilities as well as clean & hygienic toilets/washrooms.
6. All crew members shall remain inside the vehicle and shall not mingle with anyone during loading and unloading of consignment.
7. On completion of the loading and unloading of the consignment, the truck shall be required to proceed towards its destination immediately. Local transporters requiring to stay back must remain in home isolation and observe safety measures.

NB: District Task Force will facilitate availability of adequate hand washing facilities at all check points
