Q40

### LANGUAGE PROFICIENCY (ENGLISH) (Q: 41-Q: 60)

This section will assess the English language proficiency.

**Directions (Q.No.41 to 60) Read the following passage carefully and answer the questions----**

At this stage of civilization, when many nations are brought in to close and vital contact for good and evil, it is essential, as never before, that their gross ignorance of one another should be diminished, that they should begin to understand a little of one another's historical experience and resulting mentality. It is the fault of the English to expect the people of other countries to react as they do, to political and international situations. Our genuine goodwill and good intentions are often brought to nothing, because we expect other people to be like us. This would be corrected if we knew the history, not necessarily in detail but in broad outlines, of the social and political conditions which have given to each nation its present character.

**Q41. According to the author 'Mentality' of a nation is mainly product of its-----**

- A) Present character
- B) International position
- C) Politics
- D) History

**Q42: The character of a nation is the result of its-----**

- A) Gross ignorance
- B) Cultural heritage
- C) Socio-political conditions
- D) Mentality

**Q43: The need for a greater understanding between nations-----**

- A) Is more today than ever before
- B) Was always there
- C) Is no longer there
- D) I will always be there

**Q44: According to the author his countrymen should-----**

- A) Read the story of other nations
- B) Not react to other actions
- C) Have a better understanding of other nations
- D) Have vital contacts with other nations
