Request for Proposal
for

Tender for Selection of Operation and Management of Incubation Center being established under PMFME Scheme at Nagaland University , School of Agricultural Sciences, Medziphema, Nagaland

Name of the Host Institution : **Nagaland University, School Agricultural Sciences.**
Place : **Medziphema, Nagaland**

RE-ADVERTISEMENT OF NOTICE INVITING TENDER (NIT)

Re-advertisement of Tender for Selection of Operation and Management of Incubation Center being established under PMFME Scheme at Nagaland University , School of Agricultural Sciences, Medziphema, Nagaland

ABOUT HOST INSTITUTE and INCUBATION CENTER: (BRIEF BY THE HOST INSTITUTE)

(Kindly ensure mention of exact location with google co-ordinate of the Incubation Center site)

The Host Institute School of Agricultural Sciences, Nagaland University is establishing Common Incubation Centre (CIC) with (1) Common food processing facilities for Primary Processing of Fruits & Vegetable Line, (2) Pineapple Juice and Beverage Processing Line, (3) Pineapple Canning Line, (4) Dehydration line for agriculture produces and (5) Pickle Processing Line. The project is being funded by Ministry of Food Processing Industries under Prime Minister Formalization of Micro Food Processing Enterprises Scheme (PMFME). As per the provision under the scheme Guidelines, the Incubation Centre, after its commissioning, would be handed over to third party/private Operation & Management (O&M) agency for running it on commercial basis.

The processing facilities of the Incubation Center would be made available to existing and aspiring micro entrepreneurs, SHGs, Co-operative and Groups etc. to manufacture food products by the O&M operator. In addition, these Incubation Centers will be utilized for imparting trainings, demonstration and skill upgradation of the beneficiaries under the scheme.

For and on behalf of School of Agricultural Sciences, Nagaland University Tenders (Two bid systems) are invited for Operation and management of Incubation Center at [www.http//Nagaland university.sc.in](http://Nagaland university.sc.in)

7.	Date & Time of Financial Bid opening	12.02.2024			
8.	Date of Declaration of Result	13.02.2024			

1. Terms of Reference

- 1.1 Establishment of Incubation Center based on One District One Product (ODOP) is one of the important components of PMFME Scheme. Under the scheme Common Incubation Centers have been set up to facilitate the following class of activities:
- i. Entrepreneur to manufacture and assess commercial viability of new food products by using the processing, packaging, testing facilities.
 - ii. Hands on Training to entrepreneurs in new technology for processing, packaging, food standards/ safety, hygiene etc.
 - iii. Demonstration of machines, process, products and hands on training to workers in food safety, hygiene.
 - iv. Usage of processing, packaging and testing facilities by Individual entrepreneurs/ FPOs/ SHGs/ Co-operatives
- 1.2. Earmarking of utilization of the facilities would be done for the following type of usage of processing lines or part of thereof:
- (i) Usage by Incubates i.e. micro entrepreneurs willing to use the facility for product development, brand development, trial of product line for commercial viability.
 - (ii) Training to the beneficiaries of capacity building program of PMFME Scheme or any other skill development program of government.
 - (iii) Atleast two consecutive days in a week, viz. Monday and Tuesday², shall be earmarked for usage referred to at (i)&(ii) above. The O&M Operator shall be under obligation to permit use of manufacturing & allied facilities by the Host institute for these purposes.
 - (iv) Exposure Visits and Demonstration could be organized by the Host Institute on any of the days of the week.
- 1.3. The Host Institute would lease out the operation and maintenance of the Incubation Center to an agency on pre-qualification technical bid & competitive financial bid basis. The bidder shall give a presentation before the committee designated by the Host Institute about the experience, financial viability, roadmap, plan and vision about the operation and utilization of the Incubation Center as per the objectives of PMFME Scheme.
- 1.4. The presentation round will be assessed on following parameters and the bidder obtaining minimum 20 marks would be eligible to participate in financial bidding.

Sl.No.	Criteria	Max. Marks
1	Experience of the Bidder: 2 marks for each year of experience	10
2	Financial Strength: Turnover	
	0 Marks for below Rs 1 Lakh	15

	6 Marks for Rs 1 lakh to less than Rs 3 lakh, 9 marks for Rs 3 lakh to less than Rs 6 lakh, 12 marks for Rs 6 lakh to less than Rs 10 lakh, 15 marks for Rs 10 lakh and above	
5	Business Plan and Presentation	25
	Total	50

1.5. The Host Institute shall permit site visit of the Incubation Center on the date of pre-bid meeting as indicated in the Critical Date Sheet. The Host Institute shall indicate the timeline for completion of the installation of facilities for which work are in progress or yet to start. Such timelines shall be included in the minutes of the pre-bid meeting.

1.6. During the presentation before the committee the bidder shall provide the detail of any equipment not in place or movable accessories or structural modification required. The same shall be procured and installed by the O&M Operator, unless the same have been specifically indicated by the Host Institution in the minutes of the pre-bid meeting, at their cost and risk. These assets could be taken away by the O&M operator after the termination of the agreement. No structural modification shall be allowed without the pre-approval from the Host Institute.

1.7. Eligibility Criterion for the Bidder:

- i. The Bidder should be an established Partnership Firm/ LLP, Pvt Ltd. company, Proprietor, Self Help Group, Co-operative, Farmer Producer Company/ Organization, Self Help Group or any other private agency.
- ii. The bidder should be having experience of working of and/ or running a Food Processing Plant for at least 1 year. In case of partnership firms, the lead partner should have the above mentioned experience. The experience of running related activities like processing of agriculture commodities including primary processing would also be considered.
- iii. The bidder may submit the following documents such as registration/incorporation certificate, PAN, GST Registration, Udh yog Aadhar/ Udyam registration, ITR for previous year, as applicable in their case and submit a copy of each of these documents along with acknowledgement copies of the IT Returns for the previous financial years (if applicable).

1.8. Financial Evaluation of Bidders:

- i. The financial bids will be evaluated for the bidders quoting highest proportion of revenue sharing with the Host Institute subject to a minimum lease rent Rs.5,000/- (per unit) per month payable to Host Institute and applicable only after completion of gestation period of 6 months.

1.9. Revenue Streams for the O&M Operators/ Host Institute:

- 1.9.1. These Incubation Centers are to run as commercial processing lines. The revenue stream will be from the following sources:
- i. Sales proceed of manufactured food products.
 - ii. User fee from usage of common facilities. The revenue shall be levied and retained by the O&M Operator.
 - iii. Facilities to be used by the Incubate: to be reviewed after every two years.
 - iv. Facilities to be used for Training / Demonstration: As per the rates fixed for capacity development for training of stakeholders under PMFME scheme. The Host Institute in consultation with the O&M shall be free to fix the user fees for other trainees.

1.10. Roles & Responsibility of Stakeholders:

1.8.1. Host Institute:

- i. Providing complete list of processing lines along with the layout of facility as Annexure-I.
- ii. Continuous monitoring of the operation of the Incubation Center by the O&M operator.
- iii. The Host Institute will arrange the supply of electricity and water, for which the O&M operator will bear the actual cost. However, if there is any failure to supply the electricity and water for which is beyond the control of institute, the O&M agency shall not claim any damages from the institute for such failure.
- iv. The Host Institute would bear the actual cost of electricity and water for the days earmarked for use by Incubates and Training for two consecutive days per week.
- v. Host Institute would provide work station to the incubates for managing their operation. The work station would be in well ventilated and adequately lit area with separate work tables for sitting of 2 persons with an electricity point.
- vi. Host Institute shall provide all vendor available manuals, spare part list, project data books and drawings which are provided to Host Institute by the OEM/ equipment supplier or contractor related to construction, installation, repair or maintenance of the Incubation Center or a part thereof.
- vii. Conducting of training of entrepreneurs, workers and FPOs/SHGs/ Co-operative under capacity building program of PMFME scheme and any other scheme during the earmarked days of training.
- viii. The Host Institute to arrange the raw material and consumables to be used while providing hands-on training conducted by the host institute.
- ix. Ensuring the utilization of facilities of Incubation Center by maximum number of micro enterprises as per the earmarking of the usage mentioned in para. No.1.2
- x. Attracting the incubates through promotional activities.
- xi. To ensure the making of only good quality products safe for human consumption by Incubates.
- xii. Record keeping of utilization and revenue generation from the Incubation Center and submitting the monitoring report to State Nodal Agency Time to time.

1.8.2 O&M Operators:

- i. To operate and maintain the Incubation center on commercially viable basis as per the scope of work detailed in para no.1.15.
- ii. Making available IC to Host Institute for incubation, training and demonstration/ exposure visits for the duration indicated in the RFP.
- iii. Ensuring utilization of facilities to its maximum capacity.
- iv. Ensuring compliance with the norms for pollution, food safety and quality, labor laws etc.
- v. Maintaining records of utilization, revenue, inventory of man and material for Incubation as per the earmarked usage mentioned earlier and submitting reports to Host Institutes at periodic interval.
- vi. Maintaining the equipment in bests of its condition, ensuring regular repair and maintenance of facility.
- vii. Ensuring availability of consumables required to run the processing lines all the time.
- viii. Timely payment of lease rent to the Host Institute as per the terms and conditions agreed upon.
- ix. Engagement of Manpower as detailed in para. 1.15(vii).
- x. The plant manager appointed by O&M Operator would ensure good maintenance of the processing lines & other infrastructure, smooth handover between different users, timely and efficient cleaning of equipment and premise, timely maintenance of the processing lines, efficient utilization of utilities such as electricity and water etc. in the processing, maintenance of records as per the lease agreement.

1.8.3. State Nodal Agency:

- i. Continuous monitoring of the operation of Incubation center
- ii. Mapping & mobilization of beneficiaries, SHGs, FPOs etc. for training and demonstration at Common Incubation centers through its DRP network, District Nodal Department, SLTI or training agency.
- iii. Timely disbursement of funds to the O&M agency for providing hands on training and demonstration to the beneficiaries of the Scheme.
- iv. Ensuring the availability of the processing lines, common facilities and incubation services to the micro entrepreneurs and groups such as SHGs, FPO.
- v. Handholding support to the host institute.

1.9. The Institute shall issue Letter of award to the successful bidder and the bidder shall take the possession of the Incubation Center within a period as may be specified in Letter of award. No extension shall be allowed to the O&M agency to delay the possession/ operation.

1.10 The Host Institute shall enter into an agreement with the selected O&M Agency and incorporate appropriate clause of General Condition of Contract and all other conditions in line with GFR guidelines. In order to bring more clarity, the agreement can be added more clause other than this tender to safeguard the interest of both.

1.11. The successful bidder/ processor shall be designated as "O&M Agency". Host Institute would levy lease on monthly basis. The monthly rent shall be paid by the O&M Agency to the host institute before 10th of every month. The O&M agency shall be liable to pay penalty @5% of the payable amount if paid after the due date and under no circumstances it can be delayed beyond the 20th of the month. It will be treated as violation of the lease agreement and can lead to termination of the same.

1.12. The selected O&M agency shall make security deposit of Rs.20,000/-(rupees twenty thousand only) per unit in the form of bank guarantee/DD for the security of equipment. Such amount shall be deposited with the institute before taking the possession for operation. No extension shall be allowed for this purpose. The security deposit will be either adjusted or refunded after expiry of lease agreement but in case of any outstanding at the time of termination of agreement, the same will be adjusted.

- 1.13. The O&M operator will not be allowed to display the name of his/ her organization in the premises on incubation center. However, the O&M may furnish their own name in the finished product with the mention of manufactured at incubation centre, School of agricultural Sciences.
- 1.14. **Leasing Period:** Initially the lease will be given for a period of 2 (two) years which may be renewed/ terminated as per the terms and conditions of lease agreement b/w Host Institute and O&M agency upon review by the host institute and State Nodal agency.
- 1.15. **Scope of Work:** The Agency would be responsible for Operation and Management of the Common Incubation Center for a period of 2 Years. The detailed scope of work is as following:
- i. Operation & Maintenance of Processing line and auxiliary equipment: Ensuring the commercial utilization and timely maintenance of the processing lines as per the seasonal availability of raw material in the region. Complete cost of operation for running the incubation center would be borne by the O&M agency.
 - ii. The Host Institution to ensure that the Incubation Center is utilized by a large number of micro enterprises. The complete processing line or a part of it would be made available to Individual Entrepreneur/ SHGs/ FPO/ FPC etc. on user charge basis.
 - iii. The O&M agency would ensure the availability of the Incubation Center for the purpose of hands on training, demonstration and exposure visit to the beneficiaries of PMFME Scheme and its Capacity Building Activities as well as other State and Central.
 - iv. The O&M agency will be responsible for ensuring the supply of requisite essentials such as fuel, refrigerant and other necessary needs for manufacturing the products by incubates and for Hands on Training conducted by Host Institute on the actual cost. Raw material and ingredients for making the products shall be arranged by the incubate themselves.
 - v. Trainees of the host institute may participate during the processing of products carried out by the O&M, during such the cost of the raw materials to be borne by O&M.
 - vi. For Operation and Management of Processing Lines: Plant Manager (1 nos) and Training Personals shall be recruited/ appointed by the selected agency O&M Operator at the incubation Center. The engaged personals should be trained and qualified for operating and maintaining the machineries. The above qualification may be relaxed/ modified as per the requirement of Job Role and by the Host Institute. Additional manpower may be deployed by the selected bidder for smooth running of the center as per their requirement.
- 1.16. The O&M agency shall be responsible to comply with the labor laws. Staffs/ labors appointed by the O&M agency would not be having any right to make any claim from Host Institute.
- 1.17. There will be no restriction for the official visitors from the State Nodal Agency, State Level Training Institute and Ministry of Food Processing to visit the premise even during the operation.
- 1.18. Maintenance of Incubation Center including the machinery shall be the responsibility of O&M operator. For operation and maintenance, the O & M Agency shall use genuine consumables and spare parts as mentioned in the manuals supplied by the manufacturer. The parts should be changed with the consent and in the presence of Host Institute's staff. The expenditure incurred during such will be solely borne by the O&M.
- 1.19. The O&M agency shall comply with all laws applicable to the operation, maintenance and management of the facility and the performance of the service including GMP and GHP (for cleanliness).
- 1.20. O&M agency shall apply for and obtain, and Host Institute and SNA shall assist in applying for and obtaining all necessary permits, licenses and approval required to allow O&M agency and incubates to

do business. O&M Agency should also file such reports, notices and other communications as may be required by any government agency regarding the project to Host Institute.

- 1.21. The O&M agency shall be responsible for disposal and management of solid waste & other waste disposal as per the Pollution Control Board's regulation and inform Host Institute about the same. The O&M agency shall be liable for any penalty or fine if levied by any authority for such violation and the institute shall recover the penalty, fine, damages, cost, if any, paid by the institute for waste disposal.
- 1.22. The O&M agency shall maintain at a location acceptable to Host Institute, the Incubation Center operating logs, records, reports, document the operation and maintenance of the facility in all forms and substance sufficient to meet Host Institute's reporting requirement under the lease agreement.
- 1.23. The O&M agency shall be working within the demarcated floor area only. The O&M agency may approach to the host institute for additional floor area which shall be given by O&M agency on payment of the approved charges.
- 1.24. The O&M agency shall give an undertaking of ensuring the making of only good quality products safe for human consumption.
- 1.25. The lease agreement may be terminated by either side after giving due notice in writing of 45 days.
- 1.26. After completion of the tenure, the O&M agency will hand over all the assets and belongings of Host Institute in the good working condition and shall compensate the institute for any damage or loss of the equipment of the Incubation Center.
- 1.27. In the event of any dispute in the interpretation of the terms of the agreement or difference in opinion on any point in the agreement, the parties here to shall use their best efforts to settle amicably by mutual negotiations.
