Speaker

Gam A. Shimray is a dedicated human rights activist defending and promoting the rights of Indigenous Peoples for almost 30 years. As the Secretary-General of AIPP, he envisions to contribute to advancing the pursuit of Indigenous Peoples' rights and democratization in Asia. He has held several important positions at the national and regional level. At the global level, as member of committees and advisory bodies, he has contributed as an expert in international human rights and environmental standard setting. He was also involved in peace-building initiatives in India and has authored some publications relating to human rights, environment and ethnic issues.
