The National Conference on Indian Knowledge System (IKS 2026) aims in promoting the exchange of knowledge, research, and dialogue on the rich heritage and contemporary relevance of the Indian Knowledge System By exploring the many dimensions of IKSs from ancient wisdom and living traditions to modern applications under the following themes:

1. Ayurveda, Yoga & Traditional Health Knowledge: Pathways to Holistic Well-being
2. Vedic Mathematics: Ancient Wisdom, Modern Applications
3. Dharma Studies: Exploring Values, Ethics & Indian Thought
4. Bhartiya Traditional Sports: Heritage, Health & Community
5. History of Agriculture in Asia: Knowledge, Practices & Heritage
6. Vriksha Ayurveda: Traditional Wisdom for Plant Health & Sustainability
7. Tribal Knowledge Systems of Northeast India: Heritage, Wisdom & Living Traditions
8. Traditional Ecological Knowledge: Indigenous Wisdom for Sustainable Development
9. Yoga & Spirituality: Inner Well-being, Mindfulness & Indian Wisdom
10. Advanced Studies in IKS: New Directions in Indian Knowledge Systems
11. Indigenous Sports of Northeast India: Preserving Heritage & Promoting IKS
12. Indian Knowledge System in Sciences and Social Sciences
