Knowledge for a Sustainable Tomorrow

Clean Oceans Healthy Planet Brighter Tomorrow

Our oceans sustain life, regulate climate, support livelihoods and inspire cultures. But today, they face serious threats from marine litter, plastic pollution, habitat degradation and unsustainable practices. It is time to act — together.

“Swachh Sagar Surakshit Sagar”

is a people’s movement to protect our oceans for present and future generations.

Healthy Oceans
Happy People

Why Clean Oceans Matter?

Support biodiversity
Home to millions of species

Regulate climate
Absorb heat and carbon dioxide

Sustain livelihoods
Support fisheries, tourism and coastal communities

Ensure food and health security
Provide nutritious food and clean air

Build resilient communities
Stronger coasts, safer future

Let’s keep our oceans clean,
safe and full of life!

Greener, Safer Ocean

SSSS V 5.0 PLEDGE

I pledge to protect and preserve India's oceans, coasts, and marine ecosystems through my actions and responsibilities.

I will keep beaches and water bodies clean, avoid littering and the use of single-use plastics, dispose of waste responsibly, and encourage others to do the same.

I commit myself to the vision of Swachh Sagar, Surakshit Sagar, contributing towards a sustainable future for present and future generations.
