	<p><b>Discussion:</b> Members of the Board observed that for Sl. No. 7 and 8 the Ph. D. Submission Seminar was presented on March 15, 2024 i.e., over 7 months back but the Supervisor did not submit the Panel of Examiners for these two Scholars in the 39<sup>th</sup> School Board Meeting held on 17<sup>th</sup> May, 2024 (after the Pre-submission Seminar). As per the existing rule of the University, a Scholar needs to submit the Ph. D. thesis within 6 months of Pre-submission. During the discussion, the Supervisor informed the Board that both the Scholars have submitted their Ph. D. thesis without the Panel of Examiners. After a long deliberation, it was opined by the members that all Supervisors should adhere to the approved rules of the University.</p> <p><b>Resolution:</b> Resolved to recommend for approval of all the panels of examiners to protect the interest of the Scholars.</p>
